Eric:

The City of Dos Palos has contacted Merced County Environmental Health to implement the OWTS within our incorporated boundaries. We have only two(2) septic systems within the City Limits.

I have talked to Ron Rowe with the Merced County Environmental Health and he has started working on the contract for the City to look at and the cost for what we will need.

Any questions please contact me at 209-3922-6201 or email me at rmarshall1959@comcast.net

Sincerely,

Rickey Marshall
Director of Utilities
City of Dos Palos
